This is to inform that the admitted Jarawa patient in G.B
Pant Hospital, Port Blair who was having his right hand fractured
is under rapid improvement. One attendant (Jarawa boy) has been
brought to look after him while AAJVS representatives have also
been appointed there to serve all possible care and service towards
the patient.

On the other hand 3 Jarawa children suffering from
Plasmodium Falcifarum malaria with low G.C have been admitted
to G.B Pant Hospital, Port Blair on 21.02.2001. The basic
amenities like soap, hairoil, cloth and sleepers alongwith food are
being provided with them under the care of AAJVS functionaries
appointed there.
