

entry point of Bamboo Tikri namely 'JHULAN PATHAR' from which the police people can watch the poacher, public and the movement of the jarawas. He also asked before the house that why the jarawas are often coming to the civilliance accommodation? On response the SHO, P.S. Kadamtala told that they need more food because the presence supply of foods and gift items not sufficient for them. In continuation of this point the Assistant Anthropologist suggested that the supply of foods and gift items may be given to the jarawas on their spot before 6.00pm. on a alternate day. Because they need food in the very early morning and if they dont get food before 6.00 a.m. provably they will come for the civilliance. The house had a prolong discussion all these points and unanimously support each other.

For the welfare of the jarawas the SHO, P.S. Kadamtala suggested that the fresh drinking water arrangement may be done on 7 Nos. camps of jarawas. The house supported the proposal of SHO, P.S. Kadamtala and resolved that for these arrangement the house should ask before the competent authorities.

The Medical Officer, PHC, Kadamtala told that the Tribal health care allowance is very essential for the medical team as :-

1. Lab Technician
2. Fermasist.
3. Medical Officer, PHC, Kadamtala.

He also demanded that 2 Nos. emergency lights may kindly be arrange by the AAJVS. He also told that he had sent requisition to the Director of Health Service for Ward Boy, Ayah and staff nurse. Which is very essential for him for entertainment of jarawas. The house recommended the demand of M.O., PHC, Kadamtala and asking before the Administration that these staffs may kindly be consider from the end of the Admn.

The Pradhan, Kadamtala proposed before the house that because the jarawas are very ager to take cooked rice. So, some arrangement may kindly be done from the AAJVS to distribute cooked rice to jarawas. In continuation of this point the SHO, Kadamtala told that cooked items of food must be served by the Jarawa Contact team and they will not allow them to store it. Because if the cooked food will get decompose, many infaction may acure for the jarawas. The house appriciated this proposal and asking before the competent authorities for necessary approval to distribute cooked rice to the jarawas.
