This is regarding management of Jarawa area, (Tirur No. 4). It is observed and noticed by the Senior officers of Asst. Admn. that the AAJS field staffs were not usually visited Tirur No. 4. even the Jarawas were camped there. (Periodical).

(5)

It is therefore proposed that we may depute the staff (existing at Tirur area) on rotation basis to Tirur No. 4. So that the staff may manage the Jarawa there on daily/routine basis. Here is the rotation duty roster of the staff to Tirur No. 4. While the Jarawas were camping.

While the Jarawas were admitted in the PHC Tushnabad, Sh. Anil Kr. P.C.C. and Sh. Mukund Rao W/A. should perform watch and ward duty at PHC. as per order already issued. Jarawas of Tirur No. 4, and No. 2. No. 1. Kolimpur may be managed by the rest of the staff of that area.
