(56)	<p>This is regarding electrification of Shompen Hut Complex, Campbell Bay. The Electricity Department already installed 18 K.V Diesel Generator set at Shompen Hut Complex, Campbell Bay and providing energy supply daily from 4.30 p.m to 9.30 p.m. Average monthly bill for energy supply is Rs. 5000/- to Rs. 6000/-.</p>
(57)	<p>The Tribal Welfare Officer, Shompen Hut Complex made request to provide solar pannel unit also at Shompen Hut Complex for more energy there.</p>
(58)	<p>Due to non-availability of energy supply in whole time, the proposal is good. But the other side, the expenditure for maintenance of two unit, became higher side. There is no provision in the proposed budget for the current year. However, we may request to Executive Engineer, NRSE to look the matter with best interest of Shompen tribe.</p>
(59)	<p>Subject to approval, draft letter is added for approval.</p> <p style="text-align: right;">  18/12/81 </p> <p style="text-align: right;"> Executive Secretary AAJVS </p>
(60)	<p>Strait Island and Dugong Creek Settlement are having Diesel generator set providing power supply from 5 p.m to 11 p.m. In addition to this solar supply is also available through which supply during the whole night is maintained. In Shompen Hut Complex DG generator set is installed providing Electricity Supply from 5 p.m to 10 p.m. Since the Shompen Hut Complex is located in the deep jungle the proposal of Tribal Welfare Officer Shompen Hut Complex Campbell Bay can be considered.</p>
