Sub: Functioning of Solar Power Plant —

Sir, I am to inform you that the Solar Power Plant has not functioning properly. Previously the Plant has some defect with Panel Board, same was communicated to concerned officials at PIB, work was undertaken by the technician but again the same defects arise,

At present the Solar Power have not been functioning, Power supplied to Settlement only through the Lowly D.G. Set. (from 5 Pm to 11 Pm only). Request to Rectify the defect of the Solar Plant at the earliest to facilitate power supply to Settlement behind 11 Pm to 5 Am. Pk.

Yours faithfully

 21/5/2000.
