PUC is a bill preferred by the Executive Engineer, NRSE, regarding replacement of streetlights and bulbs in the solar energy system functioning at the Onge Settlement of Dugong Creek during the month of 3/2001.

(a)

AAJVS has provided advance to Electricity department for purchase of generators at Strait Island, South Bay, Dugong Creek and Shompen Hut Complex, maintenance cost to be borne by them and energy bills to be paid by us. Similarly, we are paying the cost of solar energy consumed at Dugong Creek and Strait Island. Whereby it is the duty of NRSE for the replacement of accessories at their own expense.

(a)

It is proposed that we may send a letter to the Executive Engineer in this Regard.
