Sub: Solar energy bills-reg.
Sir,

I am to return a solar energy bill raised by you for the month of 8/2000 to 1/2001 for the solar energy plant at Dugong Creek. In this connection, the Plantation-in-charge, Dugong Creek had certified that the solar power was not provided during the above said period as no NRSE staff was available at Dugong Creek.

You are therefore requested to look into the matter and take steps for the regular posting of staff at Dugong Creek and for an un-interrupted solar power supply at Dugong Creek.

Enclosed: a/a

Yours faithfully

Executive Secretary
