Sub :- Resume of power supply at Shompen Hut Complex - reg.

Sir,

At present there is no power supply at Shompen Hut Complex and the primitive tribes are facing great hardship. For their welfare we have already procured TV and dish antenna which are to be installed immediately. A power generator was procured for Shompen Hut Complex from the funds of AAJVS and it was installed there. It is learnt that the set power generator has been shifted to pilobhabi and the Shompens are facing much difficulties.

It is, therefore, requested that the DG set may kindly be install at Shompen Hut Complex immediately for the welfare of Shompen tribes and in case there is delay to install high power DG Set a portable power generator may kindly be provided at Shompen Hut Complex at the earliest. The discontinuation of power supply at Shompen Hut Complex has been brought to the notice of higher authorities.

A line of confirmation will be highly appreciated.

Yours faithfully,

(Mohammed)
Executive Secretary
AAJVS
