No-EL/PL/31-1/99/2434-38
Andaman and Nicobar Administration
Office of the Superintending Engineer
Electricity Department

Port Blair, dated the 26th Feb., 99.

To

The Executive Engineer(CDI),
APWD.,
Port Blair.

Subj:- Construction of power house building at Strait Island.

Sir,

The existing temporary power house building at Strait Island is totally damaged as a tree has up-rooted and fallen on the power house, during last week. The DG Set is temporarily installed and commissioned in a small room.

It is requested that the construction of new power house building as per the administrative approval & expenditure sanction accorded by the Administration and work allotted to your division vide memorandum No. WS/1-SB/CE/98/7323 dt. 25.1.99 may kindly be taken up on priority for maintaining normal power supply in the tribal island. The power house will be constructed as per drawing No. SA/AN-020/21/4124.

Yours faithfully,

(Manohar Singh)
Superintending Engineer.
