Sub: Settlement of Pending bills -reg.

Sir,

I am to state that the following bills are lying pending since 2007 for wants of verification from the committee and of officer incharge. Reason as why these 5 nos bills could not verified is that the then social worker was placed under suspension and the then officer Incharge left the place without assigning or authorizing charge to other. In the meantime, the executive secretary visited Campbell Bay and entrusted Shri V. Sebastin, tracking asstt and Jagtar Singh driver AAJVS for the whole work for welfare of the Shompens as a time bound alternative of the vacant. But other committees refused to sign as the bill were not in their tenure period.

Since the two persons were not a part of committee but staffs of the AAJVS itself. As per the instruction of the Executive Secretary both the persons discharged their duties well and put their signature on the bills. The bills are laying during the time of Shri Har Prasad, the Assistant Commissioner of Campbell Bay.

It is learnt that the then Assistant Commissioner of Campbell Bay is available at Port Blair in other department. If it is possible, these bills may please be verified through him and settled at your end. Bill is sent as under with duplicate:-
