

It is to mention that teams of expert members on Medical Research and Drug Regime are at Port Blair from 10.6.2002 to 15.6.2002 in connection discussion on the survey under taken during the first and second phase of study on Jarawa.

A dinner has been arranged for 15 persons in their honour at Megapode on 10.06.2002.

Further the team members are proceeding to Kadamtala on 11.6.2002 at early hours. It is proposed that we may provide them break fast and 6 bottles of mineral water.
