sentencing of the TA bills are being done in a casual way.

Total absence for H.C. in this case comes to 42.7 days and he is
entitled to DA at higher rate of Rs-70 1/2 from 15.4.02 to 7.00 AM on
17.5.02 for which the summtly allowed DA @ Rs-70 1/2 for the entire
period of 43 days for 43 days which seems to be irregular.
Any doubt is arised in the admissibility that can be
discreet and settled at any point of time. The PAO II
is not supposed to do the sentencing of the claim which has to be
done by the dealing assistants.
