

No.11-23/AAJVS/2002

Reference page 105 / C

(27) P.U.C. is the letter No. Nil dated 13.5.2002 of Dr.T.K.Paul, Joint Director , Zoological Survey of India camp at Port Blair. Dr. Paul is one of the members of the Composite Group working in the Jarawa area to study the resources in the Jarawa Forest in pursuance of the decision of the Expert Committee on Jarawas.

(28) Dr. Paul has informed that some animal species have been collected from Jarawa area as specimen. He would like to carry to his head office, Kolkata for further scientific investigation. In this connection, he has sought the permission to carry these animal species from Andaman to Kolkata.

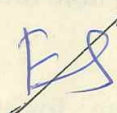

(29) The animal species collected by Dr. T.K.Paul and his party would constitute the wild life in the Jarawa area. As such, we may request the Chief Wild Life Warden of the Forest Department and permit them to carry the specimen. Draft letter is placed opposite for perusal and approval.
