Placed opposite is a submission received from Kumar B.A. Kishen Singh, S/o Late Nao (Jr), belonging to the Great Andamanese primitive tribes stating that he is interested in undergoing GP (General Purpose seamen) rating course in polytechnic. Therefore, he may be provided necessary assistance for the same.

The incumbent has passed out 10th standard examination from National Open School and also completed a vocational course in Welding from the Government Industrial Training Institute, Port Blair.

Dr. B.R. Ambedkar Institute of Technology, Port Blair has offered a diploma course in General Purpose rating. The minimum qualification for this course is matriculation. The incumbent possess the minimum requirement and we may appreciate his willingness to attain additional qualification.

It is proposed that we may forward his application to the Principal, Dr. B.R. Ambedkar Institute of Technology, Port Blair to provide one seat to the incumbent in the GP rating course during the current academic year. The matter was discussed with Shri. Benia Varghese, Lecturer / OSD of the Institute, who asked to send the candidate on 25th June 2012 to the institute with the application form for necessary action. Draft letter addressed to the Principal Dr. B.R. Ambedkar Institute of Technology, Port Blair is added for approval please.

Submitted for approval please.
