This is a letter submitted by Smti. Thong, W/o Shri. Elphe, belonging to the Great Andamanese primitive tribal group stating that she wants to provide education to her children at Port Blair. But her children are very small, hence there are problems for their accommodation / education at VKV, Port Blair. She had approached Pranab Kanya Sangha, AIR Road, Port Blair for her daughter Kumari Ocho, aged 11 years and at Ramakrishna Mission for her son Kumar More, aged 07 years for hostel facilities and admission in school. Both the organizations have agreed to provide hostel facilities for her children and schooling at Government School Delanipur (for Ocho) and Rabindra Bangla Vidyalaya (English Medium) for Kumar More. She has requested to provide necessary assistance in this regard so that her children get uninterrupted education.

In this connection, it is submitted that 14 Great Andamanese are being provided education at Vivekananda Kendra Vidyalaya, Port Blair and one at Nirmala Senior Secondary School and their entire expenditure is met by AAJVS. During one previous occasion, two Great Andamanese were admitted at Ramakrishna Mission, but they flee away after few months. Therefore, we need to think and take a proper decision in the instant case too. Further, if they are admitted, their protection, safety and other aspects needs to be looked into.

Submitted please.
