During the year 2001, a Shompen couple died due to food poisoning. Both their children became orphans. But one Nicobarese lady Viz.. Mrs. Lidya, came forward as their foster mother. AAJVS deposited an amount of Rs.2.00 lakhs as fixed deposit toward their education. These two children are now residing at Chingen Village. They are studying in Government School, Campbell bay.

This issue was discussed during the weekly review meeting on 17th September 2012 in the chamber of the Director (TW). It was opined that we may provide all requirement of Shompen students as is being provided to the Great Andamanese.

But before proceeding any further, we need to have all basic information on the students. It is proposed that we may direct the Tribal Welfare Officer, AAJVS, Campbell bay to provide all required information. Draft signal added for approval please.
