**Subject: - Admission and hostel facilities for seven Great Andamanese Children reg.**

This is with reference to your letter dated 23<sup>rd</sup> April, 2010 regarding the admission and hostel facilities for seven great Andamanese children at Nirmala Senior Secondary School, Port Blair.

We are glad that you have selected Nirmala Sr. Sec. School, to provide education for the great Andamanese children, and we would be happy to provide education to these children in school with hostel facilities.

Our school has hostel facilities for both boys and girls. The hostel fees in Rs.600/- per month for each child.

The school fees is Rs.970/- for primary class and Rs.1260/- for middle classes. This includes computer fees and examination fees as well.

Since these children belong to primitive tribe, we would also like to request you to appoint a local guardian for the students who would be able to personally visit the students and provide them with some extra food items and fruits etc. and take care of their personal needs.

We have not received the details of the children. Hence kindly send us the details of the children – their name, parents name, class to which admission is sought and sex of the child so we may proceed on with the admission process.

Yours faithfully,
