Sub: Intimation about a Great Andamani hostel student Booyee – reg.

Sir,

This is to inform you that Booyee, a student of Class-IV, an inmate of our hostel has left the school premises with his bag yesterday (05/04/2011) around 1:30 pm without informing to anyone in the school/ hostel. After a great hardship the warden of the hostel found him with some other Great Andamani people staying nearby Junglighat area & brought him back to hostel. Upon his report to me about the incident I personally went and interacted with the boy Booyee who expressed his strong desire to stay with his relatives outside the school campus and not to stay in Vivekananda Kendra hostel.

It is therefore requested that to pay urgent attention to this incident and developments so that such events can be avoided in future. We cannot take any responsibility for the consequences arise out of such unacceptable behaviour/ activity of the Great Andamani children staying in our hostel.

Thanking you,

Yours faithfully,

For Secretary

Principal
