Port Blair

Respected Sir,

I am to state that I want to good provide education to my children at Port Blair. My children are very small, hence there are problems for their accommodation / education at VKV, Port Blair. I had approached Pranab Kanya Sangha, AIR Road, Port Blair for my daughter Kumari Ocho, aged 11 years and at Ramakrishna Mission for my son Kumar More, aged 07 years for hostel facilities and admission in school.

Both the organizations have agreed to provide hostel facilities for my children and schooling at Government School Delanipur (for Ocho) and Rabindra Bangla Vidyalaya (English Medium) for more.

You are requested to kindly provide necessary assistance in this regard so that my children get uninterrupted education.

Thanking you,

Yours faithfully
