Sub - Providing of seat in GP Rating course to Mr B A Kishen Singh a tribal candidate

Sir,

Kindly refer to your letter No 16-11/AAJS/2010 dated 20/6/12 on the above subject in respect to Mr B A Kishen Singh

In this context it is to state that the selection of candidates to this course which is DG Shipping approved is strictly through a Common Entrance Test which has been notified through a DG Shipping circular.. The eligibility criteria for the course are "pass in 10th standard with 40% aggregate, with Maths and Science as subjects and 40% in English."

It is observed from the records submitted by him that he does not meet the above requirements as he has passed the 10th standard in the arts stream Besides he has also not appeared for the entrance exams. Therefore he does not qualify for the course.

However his case has been forwarded to the Directorate General of Shipping for consideration. If his case is considered and approved by DG Shipping only then could he be considered for admission to the GP Rating course.

Acct
Pl. inform the same to Sh. Mr. B A Kishen Singh
in writing, (urgent)
J

Yours faithfully
