

The Lieutenant Governor
Andaman & Nicobar Islands

SUB: REQUEST FOR REGULARIZATION OF APPOINTMENT

Sir

Via this very formal mean I herewith inform you that J. Afsana Bibi w/o Shri Mens (Great Andamanese), w/o Strait Island have been engaged as PCC on Daily Rated basis at GMS Strait Island since Oct 2008 till date.

In Dec 2008, in a tragic domestic accident I incurred severe burns and have been living hard life of a disabled person with unusable upper limbs. I request you to kindly regularize my appointment preferably in Animal Husbandry or Electricity department in my place of residence ie Strait Island. I have been constantly writing to and visiting officials of your administration since last year in this matter. I got many assurances but no action, even after the Asst. Secretary (Edn) directed the Directorate of Education to take action in this regard in May 2012, no action has been taken. I hope you would understand that as a 50% burn victim its very painful for me to visit officials again and again, so please on humanitarian grounds initiate something concrete in this regard.

Thanking You

Yours faithfully
D.T. 16.8.12

Afsana Bibi
w/o Shri Mens (Great Andamanese)
Strait Island,

ENCLOSURES:
