Sir,

I am Pharao (Great Andamanese Tribe) son of Shei Paje studying in V.K.V School. I want tuition in outside, because it is very difficult to understand in class room. In Hostel our small brothers are staying and they want extra classes from outsider / private tuition in Hostel.

It is therefore humble request to you kindly arrange to extra classes / tuition in coaching centre Junglighat and in Hostel (V.K.V) Great Andamanese Student.

Thanking You
Yours faithfully
