**Sub: Kr. Pharo, Kr. Buloba, Kr. Lepai do not want to stay in hostel**

Dear Sir,  
Namaskar.

The above children have expressed on several occasions their wish not to stay in the hostel. They wish to stay with parents / relatives and come to the school as day scholars. Their behavior is slowly turning to be rebellious. On two occasions Kr. Pharo and Kr. Buloba skipped / tried to skip the classes and stay in the hostel. We had not been able to convince them to attend the classes and adamantly they skipped the classes. We have informed Kr. Pharo's parents and advised them to keep the children wherever they would be happy. This behavior is slowly spreading to the other children also.

We wish to inform you that a solution has to be worked out in this situation as early as possible.

Thanking You.

Sincerely Yours,

*P.S. Murthy*
