| 224      | <u>May please peruse observations at para 220/ante.</u>   |
| 222      | This is regarding release of an amount of Rs.13,600/- towards mess charges I.r.t. Ms. Sharada Devi, D/o Shri. Loka, belonging to the Great Andamanese tribal community.   |
| 223      | The incumbent is currently undergoing a professional course in the ANM Training School, Port Blair which is a Government School run under the Directorate of Health Services, A&N Administration.   |
| 224      | Payment of diet charges for her food expenditure in the hostel amount to Rs.13,600/- for her entire balance period of 17 months. This reduces the Office procedure and is an assurance to the Principal, as if the fee is paid periodically, then she has to sent letter every time. The Tribes and parents have also to come to Office for this purpose. Further, the amount is very small i.e Rs.800/- per month. The current financial year is going to be over soon. By incurring this expenditure, we can implement the scheme. We have so far paid Rs. 1000/- caution deposit and for books and two months mess fee. The mess fee from January 2011 onwards is due. |
| 225      | Therefore, considering the above facts, welfare of the tribes, implementation of our plan and policies and to avoid any kind of situation in the balance period of her training, ES, may consider releasing the mess fee of Rs.13600/-  |
