During the visit of Lt. Governor to Dugong Creek  
on 12th Sept:1988, it was decided that Radio Communi-  
cation between Dugong Creek and Port Blair should be  
established immediately. It was also decided that  
two local Onges, one on regular basis and another on  
daily basis will be employed to assist the wireless  
operator.

(37)

The wireless station has been set in on 6th Nov:88  
and is regularly functioning since then. On the re-  
commendation of Shri Tambole, the Onge Chief Shri  
Bairagogi and Shri Tai have been put at the disposal  
of the Wireless Operator. Shri Tai being senior in  
age it is suggested that he may be appointed on regular  
basis, and Shri Bairagogi on daily rated basis.
