The Director of Health Services,
Andaman and Nicobar Administration.

Sub:- Appointment ~~of~~ to the post of Peon - reg.

Sir,

I, Smti Leecho, 26 years, am an Andamanese Tribal and have passed VIIIth Std. from Middle School, Junglighat, Port Blair. I intend to do Govt. service in the Department of Health Services as a peon.

My daughter Kaubo, 8 years, has been admitted in the Nirmala School from the current session and there is none to look after in the house. In case I am appointed as an Ayah, it will be difficult for me to look after my children at home because of the nature of duty.

I shall therefore be grateful if you please appoint me as a peon in the Directorate of Health Services and help me to continue my treatment and look after my school going child and your personal care and guidance.

Thanking you,

Yours faithfully,
