To
The Executive Secretary,
A.A.J.V.S.,
Bart Blair.

(Through the Medical Officer, SHCD, Campbell Bay)

Sir,

With due respect, I beg to say that since 7/89 I have not received my wages. Resultantly my financial condition is so poor, I could not pool the life of my family members. I have to pay a good amount to the shop-keepers from where I drawn the ration on credit basis and they refused to give me credit and also pressed to clear the credit. I think your goodself can well assess my financial condition and take immediate action for early payment.

Thanking you Sir,

Yours faithfully,
