Sl.No.24 (R) page 50/c

These two letters addressed to Secretary(TW), received from the DHS, regarding employment to Smti Leechoo and her husband Shri Gulat, Andamanese tribes. The DHS recommended the cases on the ground of medical treatment to Smti Leechoo.

In this connection it is stated that Samiti had already provided employment to Shri Gulat as Mali and employed at Strait Island. At present there is no post offer to him at Port Blair. More over if we employed these tribals at Port Blair, they will roam here and there and there is chances to spoil their habits.

(74)

Regarding admission to Smti Leechoo's daughter Kumari Kaubo, to Nirmala School, we made all arrangements. But she could not turn up, roaming here and there.

Submitted for information and further instruction.
