E.S. may recall that the Master had told us on 17/9/89 that unskilled labourers engaged for the work will not be able to deliver the goods. Pl. get it clarified from the Master whether ordinary labourers will do or skilled labourers will be required.

Master

unskilled labourers will be of no use for this type of work.

(94)

I already arranged eight skilled labourers who know this type of chipping etc. order may be passed early to engage these eight skilled labourers.
