

At present only one Chowkidar is provided for the watch and ward of Adibasera at Port Blair. So we could not press him for stay for 24 hours at Adibasera. Moreover no Parawala quarter also provided for the Adibasera building. Matter regarding construction of Parawala quarter has already being taken up separately.

Due to the absence of the proper watch and ward of the Adibasera for the round the clock, this area become the ~~x~~ centre of hooligans and trespassers. Now it is felt necessary ~~xxxxxx~~ to post the Chowkidar round the clock permanently. Originally the post of Chowkidar was not created for the watch and ward of the above building. If approved proposal for the creation of the post may be submitted separately.

It is suggested that till such time the regular post of Chowkidar are created we may appoint 3 nos casual Beldars for the watch and ward of Adibasera around the clock. The present Chowkidar may be engaged for the weekly off days to be given to the Chowkidars and all other absent period. In the first instance if approved they may be appointed for a period of 60 days.
