As noted at para 166/N Shri Loka was appointed as Helper in the Power House at Strait Island on consolidated pay of Rs.475/- per month. He did not attend the duty regularly and ultimately left the job.

(171)

However, Shri Loka could be given another chance to work as Chowkidar on daily wages for three months from the date of his reporting on duty.

(172)

His case for regular appointment could be taken up based on his performance during the period he functions as Chowkidar on daily wages.
