with his government service. Shri Gulet met the Chief Secretary on 15.1.1991 and requested to provide a job in A.A.J.V.S.

In this connection it is submitted that Shri Gulet is already employed as a Mali (Gardener) at Strait Island since 1987. Like others he is getting a consolidated emoluments of Rs.475/- per month. A proposal is put up before the forth coming Executive Council of AAJVS to increase the consolidated emoluments of tribals from Rs.475/- to Rs.700/-. The Executive Council is scheduled to meet on 23rd January, 1991.

Shri Gulet was provided an opportunity to work as Lascar on boat MV Milale way back in 1980. However, he did not attend his duties more than six days on boat MV Milale.

(182)

Further appointing Shri Gulet on boat MV Milale is likely to keep him away from his wife which is not advisable in the context of decline of Andamanese population. Therefore, it is suggested that Shri Gulet could continue to work as Mali at Strait Island.
