To,

The Executive Secretary  
AAJVS PORT BLAIR

Sir,

Kindly recall our discussion on 7.1.1988 when you visited Dugong Creek, as you are <sup>aware</sup> that Honourable Lt. Governor visited Dugong Creek last year and I discussed with him in the Community Hall regarding the appointment of Sri Ram Chander as Chowkidar for our new plantation as Bengali Settlers come in night in the plantation across the creek and takeaway coconuts. I was assured by Lt.G. that Sri Ram Chander will be appointed.

Sri Ram Chander is a hard working and very honest man, he has also worked previously in leave vacancy of Sri Saibu Ram whenever he went on leave to mainland.

Further this question was also raised by me in the Pradesh Council Meeting a copy of the same is enclosed herewith for your perusal.

Hence I have to request you that the matter may please be reviewed and Sri Ram Chander may please be appointed as Chowkidar for our new plantation.

Thanking you.

Yours faithfully
