

PART - II

Liberties, powers & privileges to be exercised & enjoyed by the lessee subject to restriction and condition in Part.III.

1. The Government hereby agrees to hand over the standing forest in Little Andaman and in North Andaman Forest Division as indicated in the Annexure I.
2. The lessee will be authorised to take over management and Administration of the area covered by this lease including functions of its protection from the date of the order of transfer.
3. That with effect from the date of transfer, all sale proceeds obtained from the disposal of forests produce in the demised area and from other sources may be credited as revenue of the lessee and the lessee is authorised to issue its own printed forms of receipt and permits etc. for the purpose.
4. The lessee will have liberty and power to undertake development and recreation facilities, raising cash crop and plantation crops etc. at their own costs, subject to the general approval of the Government to the effect from time to time.
