Dated the 6th, Dec., 2006

To,

The Executive Engineer
Construction Division-I
APWD, Rangat
Middle Andaman.

Sub: Construction of Jarawa Ward-reg.
Sir,

I am directed to say that AAJVS had constructed an exclusive ward at Primary Health Centre Kadamtala by using minor forest produces for the treatment of Jarawas.

The Tribal Welfare Officer, AAJVS, Kadamtala informed that the following civil works are to be undertaken to give the ward a semi-permanent shape:-

- a) Toilet - 2 nos.
- b) Flooring of kitchen
- c) Flooring of round hut
- d) Ram and pucca drain around the Jarawa ward
- e) Wash basin - 1 nos.

Presently, the Jarawas are admitted in a small room in Primary Health Centre, Kadamtala, which is insufficient to accommodate more than 5 Jarawa patients at a time. Medical authorities and AAJVS facing many kinds of problems to administer treatment in this room.

It is therefore requested to kindly undertake the above work so that the Jarawas can be treated exclusively in Jarawa ward. Funds are available in the annual tribal sub-plan to meet the above expenditure. Estimates may be submitted after completion of work for a/a and e/s please. Kindly treat the matter as most urgent please.

Yours faithfully

Executive Secretary:
AAJVS
