

Refer: Page 174-175/C.

These are two letters from the Tribal Welfare Officer, AAJVS, Kadamtala requesting for need to improve the Jarawa ward.

He had informed vide the first letter, placed at page 174/C that the following civil works are required urgently for the safety of the Jarawa ward and one office-cum-store to keep the records, medicine, furniture and other essential items in safety, which are not included in the estimate prepared and submitted by Forest Department:-

- a) Retaining wall around Jarawa ward : 3 nos.
- b) Office-cum-store adjacent to Jarawa ward

In the second letter placed at page 175/C, the Tribal Welfare Officer, informed that the construction work of Jarawa ward will be completed soon. After completion of construction work, wiring work is to be required to provide electric connection to proper functioning of the Jarawa ward. This includes wiring of Jarawa ward, round hut, kitchen and bathroom.

He has informed that quotation may be called from local private party which is estimated to be around Rs.25,000/-.

It is to mention here that as far as calling of tenders is concerned, we have an agency in the name and style as APWD which has technical expertise in all kinds of civil work, which is the Government agency. Therefore, we need not indulge for any other agency.

It is therefore proposed that we may request Executive Engineer, CD-I to undertake the above work and submit necessary estimates for a/a and e/s.
