Sir,

It is to inform you that as per the Executive Secretary, AAJVS, Port Blair's letter no. 16-1/AAJVS/2010/375 dated 07/09/2010 regarding demarcation of Jarawa area under N & M Andaman District.

As per the proceeding of Executive Council meeting of AAJVS held on 10<sup>th</sup> August, 2010 (copy enclosed) in agenda point no. 1 (a) The PCCF informed the Council members that the boundary demarcation is necessary only when the boundary is aligned in closed proximity to revenue settlement. There is no need for demarcation of Jarawa reserved boundary which is passing inside the deep forest. The demarcation is completed from Attarjig Police Chowki (Kadamtala) to Kaushalyanagar in Middle Andaman Forest Division. The other part of the Jarawa reserved boundary are going through deep forest. So there is not need for demarcation of the Jarawa reserved boundary in Middle Andaman Division.

The demarcation work of Jarawa reserve boundary in Mayabunder Division is necessary near Chainpur village where the boundary passing adjacent to settlement area/village.

Therefore it is requested that sufficient forest staffs (Official and labour) may be provided for the above mention demarcation work at Chainpur from 01-11-2010 till demarcation work is complete.

This is for your kind information and necessary action at your end please.

Yours faithfully

Tehsildar, Rangat.
