Sub: Demarcation of Jarawa areas-reg.
Sir,

I am directed to state that during the Executive Council meeting of AAJVS, held on 10th August 2010, under the Chairmanship of Hon'ble Lt. Governor, A&N islands, it was resolved that demarcation of Jarawa areas may be carried out in areas where the boundary is aligned in close proximity to revenue settlement. A copy of the minutes of the above meeting is enclosed for ready reference please.

It was also resolved that the entire surveyed boundaries are to be permanently demarcated on the ground by fixing RCC pillars failing which it will be difficult to identify the alignment in future. Forest department shall submit the estimates to AAJVS for fabrication and erection of pillars. Necessary funds will be placed by AAJVS with Forest Department for execution of the work to be completed within six months.

It is, therefore, requested to kindly direct the Officers / Officials concerned to take up the demarcation work and to complete the same within the stipulated time frame.

Yours faithfully
