The house was informed that AAJVS has appointed five field attendants and two pharmacists on contract basis and ratification is sought for the same.

The house ratified the these contractual appointments.

Agenda point no: III Ratification for condemnation of two jeeps of AAJVS and approval for purchases of two Jeeps as replacement.

The Secretary (TW) informed the house that both the light vehicles of AAJVS bearing registration number AN 01 A 8395 and 8380 have been condemned.

Now AAJVS does not have any vehicle. This has badly affected implementation of policies for the tribes, especially the Jarawas. She added that AAJVS is a field based Organization and mobility is the utmost requirement. Therefore, AAJVS may be permitted to procure two new vehicles.
