This is a letter from the Assistant Engineer (Works), APWD, Port Blair enclosing estimates for the construction of Office building and staff quarters for AAJVS at Baratang.

The Deputy Commissioner, North and Middle Andaman had allotted an area of 0/10 hectares of land to AAJVS at Sundergarh revenue village, Baratang vide survey number 136/31 for construction of Office building and staff quarters. Accordingly after taking over the possession of the land, we had requested the Deputy Commissioner for above allotment.

As mentioned at para 183/N, AAJVS proposes to construct one Type III quarters as Office-cum-residence for Tribal Welfare Officer and four Type-I quarters for Office employee.

Accordingly, APWD had furnished the estimate placed at page 228/C (PUC) for an amount of Rs.76,67,588/-. This includes cost of foundation, earthquake forces, development of site, internal water supply, sanitary installation, internal electrical installations, external service line, overhead tank and building portion.

AAJVS immediately requires having an Office establishment at Baratang for executing the welfare activities of the Jarawas. During the recently concluded meeting on 11/5/2009 on implementation of the Jarawa Policy, it was resolved to make AAJVS into a professional body with re-constitution of the Executive Council and General Body and inducting / recruiting qualified Personnel for the welfare of Tribes.

As on date, sufficient funds are not available with AAJVS to meet the above expenditure. It is therefore proposed that we may send a requisition to Tribal Welfare Department for sanction of funds.

Submitted please.
