Jarawa visit the village frequently and take away food items, crops, iron tools, implements etc. There should be some compensation package for the loss sustained by the villagers. He added that the Jarawas need education, health facilities, food etc. There are handful persons who damage the image of the area by illegal barter / trade with the Jarawas. Due to their illegal activities majority of the villagers are badly affected. The Jarawas ask for rice, masala and rice oil etc.

He further added that some scheme may be formulated for raising plantation for the Jarawas and they may be given rice. If, AAJVS supplies them rice, they will not enter into the villages. A few Jarawas consume alcohol, eat pan and tobacco. AAJVS and Police should trace the culprits who supply these things to the Jarawas.
