Ask Sir how to
take over the charge of JN
regularly, Acctt

Sir,

Kinlly refer my verbal Complain on 28/12/2013. at about 4.50 Pm. regarding breaking of the lock of the office almirah at Templemed field Office.

With reference to Office order no. 321 dt. 17/9/2013. Jeff was on duty to Great Nicobars. w.e.f. 30/9/13. to carry on the Survey works among the Shompen.

Till my departure no officials was posted/deputed to this area to takeover the charges, so myself proceed to Campbell Bay. Keeping the official records in the office almirah and locked it properly. A key of office room was handed over to Shri. Bimandali to open the office for routine works.

While I revisit the office on 28/12/13. it was found that the lock of the almirah is broken and some of the records are kept in a self open in the office. Self anyhow manage to rearrange the office record and kept in the same almirah ~~with~~ sealing with a sign. Paper.

This is for your kind info and may be required so.

Yours faithfully..

30/12/13.
