To

The Executive Secretary
AROUS, P/B/air.

(Sim)

Kindly refer to the letter sent by
one Mr. Stephen Corry, Director,
Survival, UK dated 4 Dec 2013,
addressed to the honorable LG.
The letter bears the matter to which
I am submitting few facts for
your kind information and n.a. pls.
The illicit bartering of alcohol and
sexual exploitation of the Sanawa
women lacks solid evidence without
which this is absolutely unfair
to say anything. Secondly, the
letter mentions about "...recent
incident of an alcohol related fight..."
is false and baseless.

We are in continuous effort
to find such case if ~~to~~ happens/happened
with strong evidence for legal actions.

Thanking you

Collins

Yours faithfully,

P. M.
