Sir,

I am to inform you that we go through very sensitive situation concerning the Jarawas at Trom. Jarawas appear in several groups and disperse in the adjacent settlements and plantations. They also do come to near situated beaches of Khannadma, Collingpur coerced by somebody. We also have to deploy the staffs at PHC Tromabad. Looking to all these Sir, please depute few more staffs for us to deal with the situation.

Thanking You

Yours faithfully

D. P. K. Sircar,
