Madam,

Please find enclosed herewith a copy of letter received from villagers of Tirur area, which is self-explanatory.

In this connection, it is to inform that the necessity of safety gear on board for the safety of jarawa people and hiring of ferry vessel duly approved by A&N Administration instead of wooden fishing dinghy is essentially required and the same may be ensured while transporting Jarawas from one place to another to avoid any untoward incident.

Yours faithfully

Station House Officer
PS Ograbra
