OFFICE MEMORANDUM

Subject: **Framework for Implementation National Health Mission (NHM) 2012-2017: Points of Importance for Tribal Areas.**

The undersigned is directed to refer to this Ministry's DO letter No. 17014/9/2013-Eco dated 11th July 2014, enclosing therewith a brief note on interventions/initiatives under National Health Mission (NHM) in tribal and remote areas received from Ministry of Health & Family Welfare (MoHFW) and to forward herewith an extract from the 'Framework for Implementation, National Health Mission (NHM) 2012-2017' (enclosed) issued by MoHFW, containing points relevant to tribal population in both rural and urban areas.

2. In view of the specific focus of NHM on health of tribal population, the State Tribal Welfare Departments (TWD) may seek participation in the formulation of the District/City Health Action Plan as well as the formulation and review of State annual Programme Implementation Plan (PIP). Such participation by the TWD would ensure better representation of the health needs of tribal population in all relevant Health Action Plans.
