During the meeting, the Principal Secretary (Rev) and Deputy Commissioner (South Andaman) were informed that the Tourism Department were requesting for the same land. They therefore carried out an inspection of the land requested for by the Rajiv Gandhi Centre for Aquaculture. It was noted that the site is on the way to Chidyatapu and that the Tourism Department have separately requested for this land for a hotel.

After considering all aspects it was felt that this site is more suited to a tourism project, and it was decided not to approve the proposal of the Rajiv Gandhi Centre for Aquaculture. The Deputy Commissioner shall locate suitable land elsewhere for them.
