	<p style="text-align: center;">- 24 -</p> <p>(iv) The Executive Secretary AAJVS. under took frequent tours to Tirur, Jhaokona, badabhoja including Badabalu to have a close watch over the Jarawa situation so as to take remedial measures / actions instantly. Recently one Shri Sujoy R/o. Herbertabad who is said to be one of the perpetrator of illegal activities, has been booked thrice for commenting three different offences. Similarly one more such non-tribal has also been booked under the law having been found doing illegal barter with the Jarawas. But both are out on bail, the offences being billable. So the Administration could think of setting up a fast track Court to try the Criminal cases filed under the PAT Regulation on daily basis for speedy disposal so that the punishment, if awarded will serve as deterrent for other non-tribals.</p> <p>The Police personnel posted at JPP Tirur are invariably associated with the joint patrolling in the area. However, they need to be equipped with logistics like a speed boat, Binoculars to carry out effective patrolling along the western sea coast independently, whenever situation demands. They are handicapped without logistics support to carry out their job effectively.</p> <p>As regards, supply of rice and other grocery items to the Jarawas in view of them being accustomed to eating cooked rice, we may seek the opinion of the experts associated with AAJVS so that we can act upon it accordingly after it has been rendered. In this regard a meeting of RAB is being convened on 30.12.2013 Submitted please.</p> <p style="text-align: right;">   <b>Executive Secretary</b>  <b>AAJVS</b> </p> <p style="text-align: center;"> <b>Director (TW)</b>    <b>Secretary (TW)</b> </p> <p>     </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>  </p> <p>
