(i) RC No. 175/DCM/2014

Allotment of 3 hectares of land at Rangat village for the purpose of technical area.

A joint inspection by the District Administration along with a team of Air Force personal was conducted and 03.00 hectares of land has been identified out of Survey No. 185 situated at Rangat village.

The Committee recommended the proposal for allotment of 03 hectares of land at Rangat village to Indian Air Force for technical area.

(ii) RC No. 264/DCM/2014

Allotment of 10 hectares of land at Rampur village, Rangat for construction of domestic accommodation.

The Air Commodore applied for 10 hectares of land at Rampur, Rangat. The Deputy Commissioner, N&M Andaman restricted the requirement from 10 hectares to 5 hectares as the requirement of land placed for each station was on the higher side and considering the fact that limited revenue land is available with the District Administration.

The Committee recommended the proposal for allotment of 05 hectares of land at Rampur Village, Rangat, as proposed by Deputy Commissioner, N&M Andaman, to Indian Air Force for construction of domestic accommodation.
