*List of participants is at Annexure.*

The meeting commenced with Director (TW) welcoming all members of the Executive Council on behalf of AAJVS. The agenda items were taken up for discussion thereafter through a power point presentation.

**Agenda Point no: 1 : Review and approval of the decisions taken during last Executive Council meeting held on 10.08.2010**

- (a) The PCCF informed the house that his department had submitted estimates for erection of RCC pillars around Jarawa Reserve area and the same was pending for sanction. Director (TW) explained that demarcation of Jarawa area and erection of RCC pillars had already been completed by the Revenue department during 2003 and there was no need for further erection of pillars. Regarding construction of an eco-friendly Jarawa ward at Primary health Complex Baratang, it was also informed that the proposal was dropped and Forest department had refunded the deposited amount.
- (b) The Secretary (TW) informed the house that he visited Strait Island accompanied by Executive Secretary, AAJVS and Officers from APWD, Andaman Harbour Works to take a stock of the situation on 30/06/2012. He informed that AAJVS had deposited an amount of Rs.455.75 lakh with APWD for various post Tsunami civil construction works during the year 2006-07 and the buildings were yet to be handed over and that there was an urgent need for construction of retaining and toe wall for protection and safety of the buildings.
